RESILIENCE & HIGH PERFORMANCE READINESS

Welcome to Neurozone®

RE: The Neurozone® Premium Course: Understanding the Neuroscience of High Performance

We are proud of our training and want to ensure that it retains its value when coached, therefore we want to ensure that we partner with the best qualified candidates for the task.

Please complete the following information in **full**, with as much detail as possible: (This document is electronically workable for your convenience).

Modalities used (i.e. Enneagram, MBTI)	
Clients whom you have engaged with	

If your answer to the question at the bottom of the previous page was **no**, please complete the section directly below:

Current profession?	
How do you plan to use this course?	

Please select your preferred start date for the course:

Start date for the Neurozone® Premium Course	
---	--

Course Registration Terms and Conditions

1. It is compulsory that candidates complete the Neurozone® Premium Course within six weeks of the start date selected. Course extension and/or cancellation fees may apply.

2. Registration and activation on the course will commence upon receipt of payment.
3. Course extension and/or cancellation fees apply:
 - Cancellation Fees: Participants who have registered and paid, but have not yet started the course and decide to cancel, will receive a 50% refund on what they've paid. Participants who have started the course will receive no refund upon cancellation.
 - Extension Fees: An extension fee of 25% on the full price (not discounted price) will apply. This is for one extension opportunity only. The maximum period allowed for extension is 3 months.
4. Facilitations (workshops, key notes, masterclasses, tutorials) require a critical level of Neurozone® based expertise from a facilitator. The Neurozone® Premium Course is not designed to provide training in this expertise. Therefore, a Neurozone® certified coach is strongly advised against this practice.
5. Access to the Neurozone® Premium Course material will expire 12 months after completion of the course.
6. Course materials belonging to Neurozone® (video clips, podcasts, tutorials, creative media, 3D models) may not be used in the facilitation of workshops, keynotes or masterclasses unless consulting with Neurozone® first.

I acknowledge the above to be true and correct.

I acknowledge that I am aware that I need to complete the course in the allocated time frame.

I agree that my contact email may be shared with the delegates of the course yes no
